Dear Friends,

The First Lady and I welcome you to the Idaho Amateur Trapshooting Association's Idaho State Shoot, sponsored by the Idaho State Trap Association and hosted by the Boise Gun Club May 23rd through 26th.

As you participate in this competition, keep in mind what Thomas Jefferson had to say in 1785: "A strong body makes the mind strong. As to the species of exercises, I advise the gun. While this gives moderate exercise to the body, it gives boldness, enterprise, and independence to the mind. Games played with the ball, and others of that nature, are too violent for the body and stamp no character on the mind. Let your gun, therefore, be the constant companion of your walks."

You are the inheritors of that proud tradition of firearms sports in America. Even more importantly, you are among those who understand that the Second Amendment right to bear arms comes with a solemn responsibility to do so safely and to pass on your values along to a new generation of sportsmen.

Once again, Miss Lori and I wish you the best of luck this week and in all your future endeavors.

As Always – Idaho, "Esto Perpetua"

Rules and Process for the Meeting

The meeting will be conducting using Robert's Rules of Order. Reference resources will be available. The following information is important for participants to know:

1. Each pre-printed proposal to amend the Constitution requires a motion and second to be considered before it can be discussed and voted on. The maker of a motion has 1st right to speak for the motion. Almost always this is a "in favor" of the motion
2. Debate/ discussion shall alternate between persons speaking in favor of and against a motion When an individual rises to speak he/she identifies self and states "speaking in favor" or in opposition to" the motion or equivalent words. A recommendation will be made to limit amount of time for each person to 3 minutes. This requires a 2/3's vote to carry. A person can speak twice on a motion, but may only speak the second time after everyone who wishes to speak the first time has spoken.
3. The Chairperson may recommend deferring voting on certain proposals to facilitate a combined written ballot, in an effort to have an orderly and efficient voting process.

Friends of the ISTA invite

Hall of Fame Inductee - Ted Schlecht

Ted Schlecht began shooting registered trap in 1995 and showed very early promise from his first shoot. He won the Class C ATA singles with a 195 and in the PITA state shoot he dominated C Class by winning Class C runner-up in doubles, singles runner-up, and to make things sweeter he took the Handicap Championship Runner-up. Growing up at American Falls in 1958 with his brother and sister he has worked in construction and has been involved with building many of the finer homes in and around the Sun Valley area. Like most Idaho boys, Ted was taught to shoot by his father and has hunted and fished all of his life. Ted was also a successful competitive archer before taking up trapshooting.

Ted's interest in trapshooting goes beyond breaking targets. He has held leadership positions in the Wood River Gun Club and the Idaho PITA, and is an informed active member of the shooting community. He has shared his knowledge and expertise with many new shooters. Ted was often seen helping his good friend Louise (Weeze) Benners, asking other shooters to help her move from post to post and keeping

Hall of Fame Inductee - Ted Schlecht

an eye out for her.

While his list of wins is very large and encompasses shoots throughout the west including eight placements on the Idaho state teams, achieving his grand slam in June of 2009 and a host of High Overall and High All Around titles but he will be remembered, at least by all of those in attendance, for his legendary shoot-off against All American shooter Stu Welton in 2001. The two obliterated the former long run with no misses until the very end (no carryovers or shooting the next day) as Ted ran 622 straight targets while Stu broke 625. The two also ran the 100 singles targets in the event that morning. The previous record was 425. Ted loved the challenge of shoot-offs and had the honor of standing next to the likes of Leo Harrsion, Phil Kiner, Kent Harris and Stu Welton to name a few.

Ted's trapshooting family enjoyed the true camaraderie, friendship and horseplay and teasing (the dreaded chicken for losing a shoot-off). This group was called the Rat Pack and included Ted, Earl and Harold Ward, Bob Crist and some others from time to time. That group shot some of the highest scores in the state and then rode off into the sunset on their Harleys.

Along with his wife Sherri they have raised five sons and enjoy 11 grandchildren and still live in the Bellvue, Idaho area.

Shoot Rules and Information

SHOOTOFFS

All preliminary event Shootoffs will be carried over to the next like event, unless a shootoff is needed because of a change in yardage (ie a tie results in earned yardage-the shootoff takes place at initial yardage not the next event.) There will be a shootoff held for Championship Events. A shootoff committee of the ISTA Directors and State Delegate will conduct and oversee all shootoffs. See them for any information concerning shootoffs. NOTE: YOU MUST BE PRESENT WHEN CALLED OR FORFEIT.

NOTICE OF TAXATION

The Internal Revenue Service (IRS) requires that anyone making \$600 or more at a shoot, that these monies must be reported to the IRS by the shoot host.

In order for the Shoot Host to do this required reporting, we MUST have the Social Security Number (SS#) or Tax ID number of the Shooters that win \$600 or more. This is accomplished by completing an IRS Form W9.

So if you think you may have \$600 or more in winnings, make sure to complete a W9 form and return it to Jim Nelson or the Cashier's Desk prior to leaving the Shoot. Shooters that win \$600 or more and have not completed the W9 Form will have the form mailed to them, but the State Association will NOT mail their winnings until the form is returned.

There's no doubt about it: the wildly beautiful state of Idaho truly is a sportsman's paradise. Here in picturesque Idaho Falls, the home of Ross Coin & Gun, you're always just 10 minutes away from a peaceful place to shoot your gun or wet your line. Idaho is God's Country; as we locals like to say, "God made Heaven and earth, and on the eighth day he made Idaho."

Hunters: In and around Idaho Falls, you'll find mule deer, white-tailed deer, pronghorn, elk, moose, bear, mountain goats, Rock Mountain sheep, mountain lions, and turkey. Located smack in the middle of the Pacific Flyway for ducks and geese, waterfowl hunting is abundant too: you'll find pheasant, doves, grouse, sage hens, and sharp tails. Of course we also hunt varmint year-round (squirrels, rock chucks, coyotes, foxes, and rabbits.)

Idahoans are friendly and *gun*-friendly. In the mood to bust some caps and targets? How about sporting clays or trap? Ross Coin and Gun can hook you up. We've got all kinds of shotguns and plenty of inexpensive ammo to load them with. We also service long-range shooters who shoot 1000-yard to 2500-yard, 50-caliber, 338 Lapua, and 308 guns.

Stop in and see us!
